Why invest in Chiapas?

Chiapas is the geographical center of the Mesoamerica Project, which is located along the Trans-Isthmus Corridor of America. This project gives access to Mexico into the Central American Market. Chiapas is a leader state in gas, oil, animal breeding, poultry and industrial production. The state also offers the largest diversity of microclimates in the country. Chiapas provides to the investors excellent business connectivity and infrastructure, for example, the state has highways and roads, five airports and Puerto Chiapas, which connects the state with the Pacific markets, through a multimodal logistics system.
