Why invest in the State of Mexico?

The State of Mexico has a strategic geographical location, an outstanding education system, a stable social and political environment, a high-level infrastructure and an excellent logistics development rate. Together with Mexico City, it is known as the Mexico City Metropolitan Area, with a population of approximately 25 million people; thus, it provides a potential market for any foreign company.

Population

The State of Mexico's population accounted for 14.0% of Mexico's total population in 2016.
